

MATCHES AGAINST THE LIVERPOOL SOCIETY 2023

AWAY MATCH: June 5th 2023

The match was played at Formby Golf Club under cloudless skies. The weather could not have been better and the course looked fantastic. Many of the West Cheshire team found it quite a challenge..

Sue the Liverpool Captain, was most welcoming and we enjoyed a lovely meal after the match. Sadly, we didn't win but who knows what will happen at the return match at Bidston on July 17th.

HOME MATCH: July 17th 2023

Sadly, we were not blessed with the lovely weather we had at Formby, but the thunderstorms forecast did not materialise and we managed to play all 18 holes. It was lovely to catch up with familiar faces and to meet the remaining Captains for 2023 from West Cheshire.

After the match we enjoyed a lovely meal. The result was close and an improvement on Formby, but Liverpool took the honours 4-3.
