

FIRST FIELD DAY  
MAY 16<sup>th</sup> 2022  
AT  
WALLASEY GOLF CLUB

The first Field Day took place at Wallasey Golf Club on Monday 16<sup>th</sup> May. There were 160 ladies taking part. The day started off wet with ladies donning their waterproof clothing, but it soon stopped raining and became very hot and humid. Towards the end of the day the heavens opened and it rained very hard with a couple of rumbles of thunder in the distance. Nevertheless, the ladies enjoyed their play and sampled the delights at the half-way house that the ladies of Wallasey generously donated. Many messages of congratulations were received on the state of the course and the refreshments after play.

Starting off on the 1<sup>st</sup> tee in the rain

Enjoying refreshments at the halfway house

How to get out of the Captains bunker!

Coming down the 18<sup>th</sup> fairway - Home and dry
